TERRACYCLE™

MARS Drinks is a Proud Partner of TerraCycle™

Proudly Partnering... to Help Grow a Better World.

TerraCycle™ will repurpose waste packaging from FLAVIA® Fresh Packs and convert them into various office products ranging from notebooks to laptop cases!

Here's how it works...

Special TerraCycle™ boxes, available through your FLAVIA® distributor, make it easy to collect and ship used Fresh Packs... so they can be processed into new office products.

Starting **May 25th**, please visit TerraCycle.net to learn more and contact your FLAVIA® distributor to sign up!
